

M. U. MUST CONFER DEGREES AT ROLLA

Supreme Court Upholds Legislature in Decision Made Today.

MAY REHEAR CASE

University Is Ordered to Put Four New Courses in School of Mines.

Special to The Missourian.
JEFFERSON CITY, July 3.—The Rolla School of Mines won the fight against the University of Missouri today in the Supreme Court under which the Board of Curators of the University will be compelled to establish a department at the Rolla School of Mines, conferring four degrees in engineering which in the past have been conferred by the University at Columbia.

Provides New Courses at Rolla.

The State Legislature passed an act March 23, 1915, saying: "The College of Agriculture and school of Mines and Metallurgy shall have power to confer degrees suitable to their designs and courses of study; and the school of Mines and Metallurgy shall provide courses for and shall confer the bachelor of science and professional degrees in mining engineering, in metallurgy, in mechanical engineering, in electrical engineering, in chemical engineering, in civil engineering, and the degrees of bachelor and master of science in general science."

The Board of Curators refused to establish the last four mentioned courses in engineering at Rolla because the constitution of the State says that "the government of the University shall be vested in a Board of Curators consisting of nine members." Because of their refusal, the present case came up.

Copy of Opinion Not Received.

"Just what course of action will be pursued by the University is not yet known," said O. M. Barnett, attorney for the University. A complete copy of the opinion has not yet been received.

The University of Missouri grant-degrees in mechanical, electrical and civil engineering here at Columbia, and the Board of Curators saw no reason for duplicating the courses at Rolla.

Judge Blair gave the decision. The case will probably be reheard.

"GOOD CITIZEN IS A CHRISTIAN"

So Says the Rev. Charles C. Grimes at Union Services.

"No man likes to be called good, but no man can be a good citizen of this United States unless he is a Christian," declared the Rev. Charles C. Grimes, pastor of the Broadway Methodist Church, at the union service last evening.

"Quit ye like men, be strong," was the text of the sermon.

"The proof of real moral strength is to be righteous in all the walks of life that the demands of good citizenship make of us," explained Mr. Grimes. "The man who is willing to let his spiritual nature remain undeveloped and who is inefficient in the salvation of men's souls is worse than any grafter."

SAYS PONY HIT CAR—ASKS \$250

F. L. Graves Sues F. A. Tandy for Damages to Machine and Self.

A damage suit of F. L. Graves against F. A. Tandy for \$250 was filed this morning with Justice J. S. Bicknell.

Mr. Graves alleges that while he was driving his automobile west on Broadway near Eighth street, Thursday, June 8, a small pony, owned by Tandy and driven by Howard Davis, ran into his car, breaking the windshield and otherwise injuring the machine. The plaintiff also alleges that the pony was being driven at a high rate of speed and that in the accident he received personal injuries resulting in severe cuts on the nose, face and hands and a severe nervous shock. The trial has been set for July 17.

H. F. Major Called to New London.

Prof. H. F. Major left at 10:50 o'clock this morning for New London, Mo., where he has been called to take charge of beautifying the city cemetery. Professor Major will return by way of Marshall and Carrollton, where he has been engaged to develop the postoffice grounds.

THE WEATHER

For Columbia and vicinity: Generally fair and continued warm tonight and Tuesday; probably thunderstorm showers and cooler Tuesday night and Wednesday.

For Missouri: Generally fair and continued warm tonight and Tuesday.

Weather Conditions.

Fair and warm weather has continued west of the Mississippi River and south of the Ohio, but in the Lake region and along the North Atlantic states it is cooler and showery.

Showers have fallen generally in the Ohio Valley and northward and also in parts of the Tennessee Valley, but no rain of importance occurred in the principal grain and cotton states.

High temperatures obtained yesterday in the West Gulf and the Plains states. The present warm spell probably will continue in Columbia during the next thirty-six hours, but the general arrangement of atmospheric pressure is such as to indicate a probable change to showers and cooler at the close of the period.

Local Data.

The highest temperature in Columbia yesterday was 93, and the lowest last night was 71; precipitation, .002; relative humidity 2 p. m. yesterday, 43 per cent. A year ago yesterday the highest temperature was 76, and the lowest 59; precipitation, .07 inch.

The Almanac.

Sun rose today 4:48 a. m. Sun sets 7:28 p. m.
Moon sets 9:27 p. m.

NO PAPER TOMORROW

Tomorrow will be the Fourth of July, the Nation's birthday. In accordance with its usual custom, the University Missourian will not issue again until Wednesday, July 5.

SCHOOL BOYS IN TRACK MEET

Will Compete for Ribbons on Rollins Field Tomorrow Morning.

A track meet for all boys not yet in high school will be held at 9:30 o'clock tomorrow morning at Rollins Field.

The events will be a flag relay, obstacle race, tug-of-war, high jump, broad jump and other track events. No running event will be more than 220 yards.

The members of Director C. L. Brewer's class in the theory of coaching will be the officials. Ribbons will be awarded winners of the first four places in each event.

The members of the teams that will compete in the relay race are: Baptist—Ralph Hargrove, William Stevenson, Reginald Underhill and Harlan Hibbard. Presbyterian—Edwin Williams, Norman Trenholme, Earl Hedrick and Kenneth Craig. Catholic—Cleo Abbott, Schulte Lee, John Heister, Fred Hutton and Charles Yost. The members of the relay teams of the other churches have not yet been announced.

YES, IT'S HOT, BUT—

Really One Becomes Cooler Upon Thinking Over Other Days.

You think it is hot now, but how about this?

June 29, 1901, the thermometer registered 104. This year the thermometer reached only 91 on the same day of the month. In fact June, 1901, was the hottest month that Columbia has ever known in the twenty-six years the Weather Bureau has been here. If you do not believe it, listen to this, the word of the Weather Bureau. The thermometer climbed to 103 on June 30, 1901. On July 1 it fell to 101; but on July 2, it went to 102, and on July 3 again reached 104.

The hottest day in June this year was the thirtieth, which was ten degrees hotter than the hottest day in last June, the twenty-ninth, when the thermometer registered 83. This year June was cooler than usual until the heat wave began June 29. Then the thermometer reached 91. June 30 this year it reached 93 and remained there until July 2.

June of 1914 and 1915 were cool months, the highest temperature in June, 1914, being 86 and in 1915 only 83. July 1, 1914, the thermometer showed only 79 as a maximum for the day, and this year it registered 93 the same day.

Yes, it is hot even now, but it has been hotter right here in Columbia. The grand climax was reached in 1901, when the thermometer registered 106 on June 9, went to 108 on June 10, fell to 106 on June 11 and climbed to 111 on June 12.

No immediate change in the weather is promised. According to the Weather Bureau, the heat will continue tonight and tomorrow. There may, however, be a change late tomorrow or Wednesday. Showers will result.

PLAN OF NEW HOTEL SENT TO COMMITTEE

Dumas Construction Company Submits Specification for Final OK.

CHANGES ARE MADE

W. S. Williams, Consulting Engineer, Suggests Some Slight Modifications.

The plans and specifications for the new Daniel Boone Tavern were submitted this morning by the Dumas Construction Company to the committee appointed by the citizens to receive and approve them. The members of the committee present were: E. W. Stephens, chairman, President A. Ross Hill, John N. Taylor, Prof. L. M. DeFoe, S. F. Conley and R. B. Price. C. B. Hollins and C. R. Miller, bondholders, were also present.

The plans were approved, with the exception of modifications suggested by W. S. Williams, consulting engineer, to which the construction company agreed. Mr. Williams was chosen by the committee to represent it as superintendent of the building during its erection. The committee is pleased with the plans proposed and intimates that the building will be even better than was expected.

The hotel is to be 88 by 113 feet and will have ninety-nine rooms, besides a large dining room, lobby, banquet hall and writing room. The lobby will be the largest in the state outside of St. Louis and Kansas City. The building is to be five stories high and of fire-proof construction. Every room will be an outside room and there will be fifty both rooms.

LAW STUDENTS DO GOOD WORK

20 M. U. Men Pass State Bar Examinations at Jefferson City.

Of the 172 persons who passed the bar examinations at Jefferson City last month, ten were graduates of the School of Law, of the University, nine were students in it and one had received an A. B. degree from the University in 1913.

Out of the 213 who took the examinations, 70 failed. Four St. Louis women succeeded in passing. Of the successful persons, seventy-three are from St. Louis and near-by towns, forty-one from Kansas City and fifty-eight from other places in Missouri and other states.

The graduates of the School of Law of the University are: T. E. Blackburn, Seymour; F. R. Deaton, Columbia; G. L. Douthitt, Independence; Laurence M. Hyde, Princeton; E. C. ("Kitty") Mead, Slater; A. W. Roffe, Blue Springs; Julius C. Shapiro, Kansas City; L. S. Shookley, Columbia; C. H. Skinner, Jr., Bolivar; Ray E. Watson, Webb City and Sterling P. Wilkes, Columbia.

The law students of the University who passed are: Tony W. Noce, Columbia; W. E. Kemp, Lamonte; J. S. Kelley, Independence; Homer E. Rich, Slater; Rush H. Limbaugh, Cape Girardeau; J. S. Jones, Columbia; Okel S. Fuqua, Savannah; Clarence E. Brummell, Salisbury; and Brice T. Sutton, Troy.

C. M. Wynne, who received an A. B. degree in 1913, also passed the examinations. He recently joined the legal department of Montgomery, Ward & Co., at Kansas City.

HETTY GREEN IS DEAD

New York Woman Financier Succumbs in Her Eighty-First Year.

By United Press.

NEW YORK CITY, July 3.—Hetty Green, reputed to be the world's richest woman, died here today in her eighty-first year. She suffered a stroke of paralysis early last week, and, while she was conscious to the end, she could not speak.

Will Land in Australia Tomorrow.

Letters from Prof. and Mrs. C. G. Ross and Miss Margaret Murphy just received by friends in Columbia tell of a stop in Pago Pago, Tutuila Island, Samoa, and of spending June 19 in Honolulu. The members of the party will make their first landing on foreign soil at Sydney, Australia, tomorrow.

BROWNS WIN 6 TO 4, AFTER UPHILL GAME

Errors Give Centralia Lead, but Columbians Stage a Big Rally.

DIPPOLD HITS HARD

Outfielder Lines Out a Triple in Pinch—Helps Win the Battle.

YESTERDAY'S RESULTS

Columbia 6, Centralia 4.
Higbee 4, Mexico 3.
Paris 4, Moberly 2.

LEAGUE STANDING

	Won.	Lost.	Pct.
Moberly	6	3	.667
Columbia	4	4	.500
Mexico	4	4	.500
Higbee	4	4	.500
Paris	4	5	.444
Centralia	3	5	.375

After spotting the Braves four runs in the first five innings of the contest at Centralia yesterday afternoon, the Columbia Browns bats twanged a melodious rhapsody in the next two stanzas and the game was theirs. The count was 6 to 4.

All of the Centralia markers were the results of Columbia errors. The bobbling started in the second inning. Fiebig, the Centralia shortstop, laid down a single and went to third when the ball bounded through the waiting mitts of Deerfoot Vogt out in left field. Fiebig set out for home when O'Brien grounded to Taylor, who threw to Lansing to head him off. The young warrior was chased up and down the sidelines until Lansing dropped the ball that should have tagged him, and he crossed the plate.

Browns Almost Make Score.

The Browns threatened to score in their part of the second. Dippold, first up, placed the ball out of the second baseman's reach. Mason and Vogt sacrificed, and the German was at third. There he died, however, for Davis' bid for a hit was pulled down by left-fielder Mulvey.

The Braves were then at bay until the fifth, when they staged a hitless batting rally that netted them three runs. Evans went out, Taylor to Mason. Biederman was safe when his liner dropped from Foster's gloved hand. He purloined second, but was out at third, Mason to Davis, when he tried to advance on Hall's grounder. Ligon's error placed Hall at third and Mueller at first. The same chap booted Klugman's grounder, and the pitcher had scored. Mulvey's boulder went by Mason, scoring two and placing Mulvey on second. Taylor then took the burden on himself and struck out Fiebig.

Dippold's Hit Scores Two.

The Browns came in with noses hard after that performance. Lefty Lacy Roberts was sent to the first base coaching line, just for luck. Taylor watched the third strike go by. Then things started. Ligon limped to first when one of Hall's shoots got too close. Foster cracked a hit to right field. Rutledge, batting for Brooks, sent one sizzling over second, scoring Ligon. Dippold sent a three bagger shrieking into left field, and two more prodigals returned. Mason brought Dippold home with a hit to right. The Braves then prevented a massacre with a double killing. Fiebig to Evans to Klugman.

But the next inning the Browns came back. Davis skyed to Biederman. Lansing got in the way of a fast one and went to first. Taylor lined to Mulvey. Ligon smote a hit. Two runs and the ball game came in when Fiebig dropped Foster's fly. Foster stole second, but Mulvey made a shoe-string catch of Rutledge's Texas Leaguer.

The Braves threatened a score in the last of the ninth when, with two on, Booser, pinch-hitting for Hall, lifted a Texas Leaguer into right field. The ball sailed too high though, and Foster had pitched his camp under it.

Takes 2 Prisoners to Jefferson City.

Sheriff Bert Sapp motored to Jefferson City this morning and took with him two prisoners to be placed in the state penitentiary. One of the prisoners is Seward Cochran, sentenced to five years in prison for burglary and larceny. The other is Ora Lewis, sentenced for five years upon a statutory charge. Sheriff Sapp will return this evening.

SEEN FROM THE SIDELINES

The protested game with Mexico last Sunday will be thrown out and replayed, although the two teams have not yet received the official notification. R. L. Horn of Paris, president of the Central Missouri League, told Manager Taylor over the long distance telephone that if the umpire would say the ball didn't touch the ground the protest would be allowed. Taylor saw Umpire Plackmeyer yesterday in Centralia, and he said he had written Mr. Horn that the ball didn't touch the ground.

With the Mexico game thrown out and the win yesterday, Columbia is now tied for second place in the league.

Tomorrow the Browns will go to Moberly to play an exhibition game with the Moberly Athletics. Duvenie, a left-hander, will oppose the Browns. Taylor has not decided on the Columbia entry. The game will not effect the league standings.

The Browns negotiated two double killings yesterday. Taylor to Foster to Mason and Ligon to Foster to Mason were the routes taken.

The manager pitched a mighty good brand of ball yesterday. During the terrific explosion in the fifth, George never faltered. Five hits were all the Braves could get off his delivery.

Rutledge, the former Tiger quarterback, entered the game yesterday as a substitute and got away in good fashion. He was the parent of a lousy single in the rally of the sixth, and the next time up the Centralia left fielder spoiled a perfect record by making a shoe-string catch of his Texas leaguer.

The Browns could not be denied after the ragged play of the fifth. Every one was "sore"—at himself, too.

Mueller, Centralia's manager, was authority for the statement that the Browns were all college boys and weren't much good at the national pastime. This was after the 5-to-3 game early in the season. The University must have gained another booster after yesterday's affair.

Next Sunday the Browns will meet Higbee at the fairgrounds here. This will be a real league game, and Higbee has been traveling at high speed for the last few weeks.

Here is the box score:

COLUMBIA						
	AB	R	H	PO	A	E
Ligon, ss.	4	2	1	2	2	1
Foster, 2b.	4	1	1	7	3	1

*Batted for Hall in ninth.

The score by innings:
Columbia 0 0 0 0 4 2 0 6 8 6
Centralia 0 1 0 0 3 0 0 0 4 5 1

Summary: Earned runs—Columbia 4, Centralia none. Stolen bases—Foster 1, Mulvey 1, Evans 1. Two-base hits—Fiebig 2. Three-base hits—Dippold 1. Base on balls—off Taylor 2, off Hall none. Left on bases—Columbia 4, Centralia 4. Struck out—by Taylor 4, by Hall 0. Hit by pitcher—by Taylor (Unlabeled), by Hall (Lansing), (Ligon). Sacrifice hits—Biederman 1, Mason 1, Vogt 1. Double plays—Taylor to Foster to Mason, Ligon to Foster to Mason, Fiebig to Evans to Klugman. Umpire—Plackmeyer.

CARRANZA CAN WAIT

U. S. Says He Needn't Hurry to State His Future Attitude.

By United Press.

WASHINGTON, July 3.—The United States will not press Carranza for his answer to its demands concerning his future actions at the present time. This announcement was made from the State Department today.

First Regiment N. G. M. at Laredo.

LAREDO, Tex., July 3.—Two trains carrying the First Regiment of the Missouri National Guard arrived here this morning.

St. Louis Couple Get License.

Marriage license was issued this morning by County Clerk John L. Henry, to Louis P. Stickfort and Miss Elisabeth Meyer, both of St. Louis.

ALLIES STILL SMASH THE GERMANS' LINES

British Temporarily Checked but French Continue to Advance.

FAIL AT THE SOMME

Attackers Are Repulsed at This River, According to Berlin Reports.

By United Press.

BRITISH HEADQUARTERS IN FRANCE, July 3.—The arrival of German reinforcements temporarily checked the British offensive north of the Somme, except at one point. The French continue smashing. They have battered in the German front along three miles south of the Somme and have arrived within four miles of Peronne. The fighting continues furiously.

Pressing west of Albert the British troops occupied a higher position, an important fortified height near Pricourt. The number of prisoners taken totaled 4,000. In the north the situation remains unchanged. The remainder of the front is described as promising. While the infantry actions were of minor importance, the artillery exchanges in all sectors were heavy this morning and this afternoon.

By United Press.

BERLIN, July 3.—British and French forces attacked north of the Somme last night without advantage. They were repulsed with heavy losses. South of the Somme the German troops withdrew from the second line of defense under heavy fire.

U. S. TRAIN IS HERE

Hundreds Visit "Safety-First" Exhibit—Motion Pictures Tonight.

Hundreds of Columbians are visiting the United States "Safety-First" Special train at the M. K. & T. station this afternoon. It is probably the longest passenger train that was ever in Columbia. There are fourteen cars—ten exhibit cars, two Pullman sleeping cars for the government employees and railroad men, a dining car and club car.

The exhibits on the train comprise practically all of the Government exhibit at the Panama-Pacific Exposition last year.

To date 321,919 persons have visited the train and viewed the exhibits. The largest attendance in any one city was at Columbus, Ohio, when 8,329 persons went through the train. At a few of the larger cities the train stopped for two days.

The train is 1,088 feet long and represents an investment of nearly half a million dollars.

There are thirty-four government employees and eighteen railroad men in charge of the train and exhibits. There is also a superintendent for each departmental exhibit.

The train will be open until 9 o'clock tonight. One of the features tonight will be an open air motion picture show at the Katy station. Five reels of educational pictures will be shown. The train will leave Columbia at 4 o'clock tomorrow morning for Boonville.

NO FOURTH CELEBRATION HERE

Columbians Must Go Elsewhere for Their Outings Tomorrow.

Columbia will not have an official Fourth of July celebration tomorrow. The University faculty has declared a holiday, however, and many picnics, dances and other festivities have been planned. A handicap golf tournament will be held. The Boy Scouts will hold a program at Gordon's Lake in the afternoon.

Those who like a more elaborate celebration can find it at Mexico, Centralia or Prairie Grove, where all-day affairs will be held. There will be a baseball game at Centralia between Mexico and Centralia and another at Mexico between the Catholics and the Elks. At Prairie Grove there will be a fish fry.

At Ashland, races, speeches and a balloon ascension are planned. A prize of \$10 has been offered to the first couple to be married on the speakers' platform there.
